## *Goodbye to a Giant*

Isaac Newton once commented that his achievements were the result of "standing on the shoulders of giants." We all said goodbye on December 31st to our long-time giant, Dan J. Pennell, President/CEO. Throughout his tenure of nearly forty years, Dan provided a steady hand during changing and often tumultuous times. His leadership is his legacy.

When Dan assumed the agency's leadership, the Center was a small agency. We only provided intervention services for neglected and abused children from Winnebago County. The Center's future was in serious jeopardy, the risk of closing within a year, a real possibility. When the State planned to stop placing neglected and abused children in facilities such as ours, he rose to the challenge. His leadership and vision resulted in a complete reinvention of the Center. Within the year, the Center was on steady ground with a new focus. A statewide need to serve children with developmental disabilities was being met. Over the years, Dan overcame many challenges to meet the unmet needs of persons with disabilities. In 1989 he oversaw a significant expansion of our own services when we began serving adults with disabilities in community integrated group homes.

In 2011 Dan realized a goal of twenty-five years to transition the children from our residential campus to small group homes. The licensing requirements and standards related to adult group homes had never applied to children and funding had never been available. The incredible opportunities for our youth now in the community are the direct result of Dan's steadfast resolve and advocacy. Persons with disabilities throughout the State have benefited, as well, from his leadership. For nearly four decades, he served on numerous statewide committees, developing policies for funding rates, client care and staff qualifications and training.

A slow economic recovery, massive State and Federal budget deficits, as well as, many cuts pose considerable challenges. We are confident, though, that the future holds exciting opportunities for the people we serve. We are confident because we have had the benefit of standing upon the shoulders of a good man, our giant, Dan Pennell. We will miss you, Dan!

## *Hello to the New Guy*

Our new President/CEO, John Pingo, was welcomed on January 1st. While he is new to this position, his career here began in 1995. As a Direct Support Professional, he served in our Adult Community Group Home Program. Further advancement led him to serving in the position of Director of Human Resources. In 1999, he was again promoted to Children's Residential Services Administrator.

The Adult Group Home Program was later added to his responsibilities. Then In 2008, he was promoted to Chief Operating Officer.

John received his B.S. from Beloit College in 1997. He then earned two degrees from S.I.U. Carbondale. His Master's Degree in Rehabilitation Administration was awarded in 2004. His Ph.D. in Behavior Analysis and Therapy was conferred in 2010.

In previous Center positions, John instituted significant improvements to our staff training and quality assurance programs. He also expanded the Center's expertise in the area of applied behavior analysis and oversaw the launch of our new children's group homes.

As President/CEO, his goals include developing day training and physical therapy services for our clients, and at-home care services for local families whose children have special needs.

We look forward to working with John in his new leadership role, both at the Center and in the community!

## Mrs. Goldie B. Floberg Memorial Leadership Award

The Mrs. Goldie B. Floberg Memorial Leadership Award is viewed as a lifetime achievement award and annually recognizes an exemplary Center staff, board member, group or volunteer. Qualities or skills kept in mind in the Center's selection of the award winner are representative of those Mrs. Floberg possessed. She was an advocate and had compassion for others. She was committed to an honorable mission of enhancing the quality of the lives of children. Her life's work as Winnebago County Chief Probation Officer touched countless abused, neglected, delinquent, and adopted

children throughout the area. Shortly before she died in 2000 at age one hundred, she was named one of the most important people of the 20th Century in the Rock River Valley. The award bearing her name is the Center's highest. Our latest honorees, chosen in 2012 for the 2011 award, are members of the Roscoe United Methodist Men.

Martin Luther King Jr. could have been talking about the Roscoe United Methodist Men when he said. *"Everybody can be great. Because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and your verb agree to serve... You don't have to know the second theory of thermodynamics in physics to serve. You only need a heart full of grace. A soul generated by love."* Certainly, the Roscoe United Methodist Men have served the Goldie Floberg Center and other local non-profits with grace and love. Annually, countless hours of team effort are expended to raise charitable dollars through the biscuits and gravy breakfast, Fall Festival pancake breakfast, turkey supper, and firewood sales.

Floberg Center's history with Roscoe United Methodist Men spans nearly three decades! The gifts received throughout the years have made a substantial impact to provide programs and complete projects. Because of this support, many opportunities have been available to members of the Floberg Center family through our Therapeutic Horseback Riding, Special Olympics, Community Activities, and Boy Scout Programs. Their gifts have permitted special purchases which include playground equipment, home furnishings, a commercial washer, a wheelchair accessible bus and a FlexTable. Clients' medical expenses not covered by DPA or insurance have also been defrayed by their gifts.

The men have not only been long time financial supporters of our Boy Scout Troop #643 but at least one member of this group has always served as a Scout Leader. Currently four members serve as Scout Leaders. Significant repair projects at the Center have also been undertaken by Heaven's Handy Guys, members of the group.

We are thankful for the generosity of the Roscoe United Methodist Men, for their hearts full of grace and their souls generated by love. It is our pleasure to honor them for their service and to have presented them with the Mrs. Goldie B. Floberg Memorial Leadership Award.

## Remembering our Friend Tina

Tina Barr was our Development Assistant for the past four years. She passed away unexpectedly on August 24, 2012. She was employed by the Floberg Center for eleven years and was a friend to everyone. Regardless of who had her attention, her outgoing personality, twinkle in her eye, and contagious laugh said “welcome”.

Tina was “Mother Christmas”. She enjoyed that responsibility greatly and made sure every year that each Christmas wish list was filled. The kindness and generosity of donors who participated in our Mother Christmas Program and who supported us throughout the year always touched her soft and caring heart. We appreciated the skills she showed in her work performance. Her creativity was especially expressed in the layout and technical details of our “Dignity” newsletter. Additionally, her sense of humor, fantastic cooking skills shared on special occasions, beautiful smile and warm heart touched us all in some way. She has been and will continue to be deeply missed.

## Thank You Hope

Hope Juno retired in October 2012 after twenty-six years with the Floberg Center. She served as a direct support professional, supervisor, quality assurance monitor, and lead trainer. In each position, she upheld the highest standards of care, performed with warmth, a good dose of common sense, and humor. Hope lived and breathed our mission, “to empower and enrich the lives of all people served.” Her legacy is the children here whom she helped raise and the staff she helped train.

When asked what kept her here all those years, Hope replied, “the kids!” She added that she had considered leaving before when particular children were scheduled to leave. “Then we would admit another child and I couldn't leave!” We are fortunate that Hope chose to stay many years and make such a wonderful difference in the lives of the children and adults we serve.

Hope’s retirement plans still include the Floberg Center. We all look forward to seeing her on those days when she comes back to train staff.

### Favorite Programs

Some of our favorite programs are Scouts, Special Olympics, and Therapeutic Horseback Riding. In fact, Scouting has been popular with our youth for thirty-seven years! Our athletes have been competing in Special Olympics events since 1998! Our riders have participated in Therapeutic Horseback Riding Programs since 1999! Buddy Baseball, offered by the Rockford Park District, became another favorite two years ago. For the adults we serve, an all-time, summer-time favorite is attending Walcamp in Kingston, Illinois.

To our friends whose support enriches our clients' lives, thank you for sharing! Your giving allows many opportunities to put smiles on the faces of some very happy people! Check out all the fun they've had!

## Spotlight on Riverside Community Church, Friends, and Fun

Riverside Community Church members in Machesney Park have a habit of going "above and beyond"...and then some! For the last three years, one fall evening in particular, is forever cherished by the adults we serve. The fun started in 2010 when the congregation hosted an "Evening of Stars." In 2011, "Under the Sea" was the next first class event. "Fall Fantasy" was the theme last fall for another very special evening.

No details are ever overlooked! Even before the big event occurs, full formal wear is provided. The ladies especially enjoy the hair styling, make-up, jewelry, corsages and the beautiful dresses and shoes. The men enjoy the chance to wear a tuxedo, dress shoes, and boutonniere. Tiaras and crowns top off the attire. Add a limo ride, red carpet, Floberg staff, church and other friend volunteers, cheering with flashing cameras, and you have a celebrity welcome! The other ingredients for this most memorable night of the year are the delicious food, favorite music, dancing and visiting with old and new friends. The memories are relived each time the guests look at their very own picture album or listen to their own musical CD provided each year.

Who plays a very important part in making the fun happen? We greatly appreciate the ninety volunteers and the businesses that donate or provide, at a discount, everything to make this extraordinary night a huge success!

Thank you to Pastor Bobby Sheets and the congregation, A-1 Limo, Aspen Sound, Seno Formal Wear, CVS Pharmacy, Event Floral, and 640 Meats!

## GIFTS OF GOODS, TIME, AND TALENT THANK YOU FOR SHARING!

*Mentioned below is a sampling of the goodness shown us. We appreciate all of you.  
Your acts of kindness enrich our family.*

### **Floberg Center Family Friends**

In-kind gifts donated include tools, laptops, furniture and household goods, handmade items, school supplies, community event tickets, batteries for toys, clothes and food. One donor purchased a 1280 pound beef and also paid for processing it. One child saved his allowance and bought food to bring to the Center. Another boy celebrated his ninth birthday by requesting that his party guests donate to the Center a variety of items that kids enjoy. Other children brought gifts at Christmas and throughout the year. One donor “hits the garage sales” and also sews and mends for us.

### **Mother Christmas Program Participants**

The local media helps immensely to promote this Program. Participants and friends in the community again filled the wish list of each child and adult, spreading the spirit of caring.

### **Rockford Fire Fighters Local 413**

The fire fighters continued their thirty-six year old tradition of shopping for, preparing, and serving Thanksgiving dinner at the Center. Highlights include a trip to the fire station and a chance to help with the preparations.

### **Volunteers**

Our mailing volunteers once again dedicated many hours preparing, for mailing, our direct mail letters and our “Dignity” newsletter.

### **Scout Leaders**

A thirty-seven year commitment continues for our youth. The boys’ highlights include attending Camp Indian Trails, earning badges, and helping a fellow Troop #643 member earn his Eagle Scout rank. The boys truly enjoy the camaraderie with their leaders and other Scouts.

### **Local Girl & Boy Scout Troops**

Troops visit the Center to share treats and activities.

### **Voice of Care Ministries**

Volunteers visit monthly to provide a program for the youth that includes singing and activities.

*“It isn’t the size of the gift that matters, but the size of the heart that gives it.”*

*Eileen Elias Freeman*

***Our mission is  
“to empower and enrich the lives  
of all people served.”***

**Vision Statement:** *The Goldie B. Floberg Center will become a nationally recognized and frequently emulated provider of quality services for people with disabilities. We will not have clients, employees and funders. We will have partners. These partnerships will allow the people we serve to achieve true community integration and to become fully actualized citizens. Services and supports will be invisible in that they will be fully embedded in the community. We will become social entrepreneurs, striving to increase our financial self-sufficiency in order to implement our mission. We will exhibit a relentless pursuit of best practices through internal innovation, benchmarking against other organizations and an agency-wide desire to be constantly learning.*

## **Our Values:**

**Client Satisfaction:** We value the happiness and sense of well-being we create when we serve effectively. We value those who love to serve our clients and their families.

**Teamwork:** We value being able to communicate openly and honestly with one another. We value helping each other to implement our mission regardless of what our role in the agency is. We value having fun while we work hard.

**Integrity:** We value being honest in all that we do. We value acting the same at all times no matter who is watching. We value being accountable to those we serve and to each other.

**Empowerment:** We value empowering the people we serve to live their lives in a way that realizes their dreams and aspirations. We value empowering our staff members so that they can implement our mission in ways that best meets the needs of the people we serve.

**Growth:** We value growth of our agency through innovation and developing services of value to the people we serve. We value personal growth through rising to new challenges, a perpetual drive to improve, and life-long learning.

**Your Giving Makes a Difference**

Your hard-earned dollars can make a very significant impact for us in a variety of ways.

Many companies have an employee matching gift program. Some allow you to double or triple your gift's value. Some match a person's volunteer hours with a cash contribution while some allow time off for volunteering at non-profits.

Families may designate the Goldie Floberg Center to receive memorials for their loved ones or give a gift in honor of a friend or relative. Others may celebrate an event or milestone in their own or another's life.

You may wish to discuss with your loved ones, attorney or financial advisor the ways that estate planning and other charitable giving strategies can assist you in leaving a legacy gift to the Goldie Floberg Center. It can be as simple as using the following language on your insurance policy, IRA or other beneficiary designation forms, or providing it to your attorney for inclusion in your living trust or will. ***“I leave (e.g. % of my estate, \$ amount, residue) to the Goldie B. Floberg Center, a not-for profit corporation located in Rockton, Illinois to support the mission of the Goldie B. Floberg Center.”***

**Great American Biker Jam To Benefit The Center**

**WHO:** Kegel Motorcycle Company and Rock River Chapter HOG #1104

**WHAT:** 23rd Annual Bike Raffle and Great American Biker Jam. Events include bands, vendors, food/drink, and 50/50 drawings. Raffle tickets for a Harley Cycle and cash are \$10.00 each from Kegel and HOG members.

**WHEN:** Saturday, June 15th from 10:00 a.m. to 5:00 p.m. Poker Run sign-up starts at 9:00 a.m.

**WHERE:** Kegel Motorcycle Company, 7125 Harrison Avenue, just south of CherryVale Mall, Rockford

For changes and to sign up to volunteer, please call Theresa at Kegel (815) 332-7125 ext. 213.

**Center Staff Presents at Conference**

Part of the the Center's Management Team presented at the Fall Illinois Association of Rehabilitation Facilities (IARF) annual conference in Normal. John Pingo, Erin Hahne, Kara Montgomery, and Nathan Fry were honored to make their presentation entitled "Weaving Quality from Chaos", using the Center's quality assurance systems as an example. For decades, quality assurance has been critical in the for-profit sector addressing quality in goods and services purchased by the public. Just as critical in the non-profit sectors is the quality of services provided to consumers. The Center is unique in the Illinois non-profit sector. It has a department created with six trained staff to ensure that clients receive the highest quality of care in all areas of their lives.

***“Quality is never an accident; it is always the result of intelligent effort.”***

John Ruskinp
